WHEREAS, Peter Tomasello, Jr., passed away on October 17, 1960, and

WHEREAS, Peter Tomasello, Jr., served as a member of this House for four (4) terms, and

WHEREAS, Peter Tomasello, Jr., served as Speaker of this House in 1933, and

WHEREAS, the Legislature of the State of Florida feels that the life of Peter Tomasello, Jr., should be placed in the public records, NOW, THEREFORE,

Be It Resolved by the House of Representatives, the Senate Concurring:

That the House of Representatives and the Senate of the State of Florida make this public record of the life and achievements of its former member and Speaker:

IN MEMORIAM

PETER TOMASELLO, JR.

The Honorable Peter Tomasello, Jr., was the forty-sixth person to be Speaker of the House of Representatives. Mr. Tomasello was a native of Florida born in Santa Rosa County, January 1900 and attended the public schools in that county. In 1916 Mr. Tomasello enlisted in the army, serving with the American Expeditionary Forces, having the distinction of being the youngest first sergeant. He also served in the United States Navy in World War II. In 1924 he married an attractive school teacher, Elizabeth Carter of Milton, Florida. They had two sons, one of whom was killed during World War II. Mr. Tomasello was a brilliant man of strong character with a dynamic personality,

and a fine public speaker. It is said he never met a stranger. He was a good and loyal friend.

Throughout his life he was principally associated with lumber, banking and Governmental enterprises—the earlier period, a successful manufacturer; for the immediate past in a more responsible role in the United States Government's procurement program which handles the purchasing of lumber and allied products for the combined armed services.

He was appointed receiver of the first bank to be declared insolvent following the collapse of the "Real Estate Boom" in June 1926—later appointed the first "Area Bank Liquidator," serving in this capacity until 1933.

Mr. Tomasello represented Okeechobee County in the House of Representatives in the Regular and Extraordinary Sessions of 1929 and 1931, and the Regular Sessions of 1933 and 1939, serving as Speaker for the 1933 session at the age of 33.

His better known legislative activities included the diversion of gasoline taxes to the counties, the first student instruction unit plan governing the distribution of state funds to the public school systems of the counties and the creation of the Everglades Flood Control District. Mr. Tomasello was very active in the continuing enlargement of the state's responsibilities and participation in the development of the whole educational system, the removal of tolls from roads and bridges and the enacting of laws having to do with banking and insurance.

His death saddened his many friends, both in and out of the Legislature, and as a final measure of respect, it is

RESOLVED, That we, the Legislature of the State of Florida, by means of this concurrent resolution, express our sorrow at the death of Peter Tomasello, Jr., and humbly express our appreciation for the contributions he made to both his state and country.

BE IT FURTHER RESOLVED that a copy of this resolution be delivered to the family of Peter Tomasello, Jr., and be spread upon the journal of the House and Senate and made a permanent part of the record of this Legislature.

—and respectfully requests the concurrence of the Senate therein.

Respectfully,

PAIR

The following Pair was announced by the Secretary in accordance with Senate Rule 12:

I am paired with Senator Melton 14th on H. B. No. 1126.

If he were present he would vote "yea" and I would vote "nay".

Dated 5-24-1961

J. Emory Cross
SENATOR, 32nd District.

EXPLANATION OF VOTE ON HOUSE BILL NO. 1126.

I voted against House Bill No. 1126, reduction in intangible personal property tax, for the following reasons:

It will take out of the General Revenue Fund between four and five million dollars when the State of Florida is in such dire need of every dollar in order to take care of the state's needs, such as an increase in old age assistance and assistance for the blind, more pay for the school teachers, more pay for the employees of our prison system and employees of our mental hospitals, more pay for the employees of the State Forest Service, more pay for all low bracket state employees who are the forgotten people of Florida. We need new construction at the Florida State Prison at Raiford. We need the hospital and reception center at Lake Butler, new buildings at the Northeast Mental Hospital at Macclenny, new construction at the University of South Florida at Tampa and many other state needs too numerous to mention. To pass a millionaires' bill such as this is asinine and a disgrace to the majority of the taxpayers of Florida and it only brings us closer to a tax on the very food that we eat. As we are a progressive state we have to go forward.

Former Governor Collins is to be congratulated on realizing the run-down, antiquated condition that Florida State Prison had reached and for having the foresight to assist in getting the construction of Phase One underway to get us started on a modern prison system that the entire state would be proud of but we cannot do these things by repealing a tax that is bringing in to the state treasury millions of dollars.

Charley E. Johns
Senator, 15th District
